Empowering communities to achieve their mission,

through a holistic approach to life and work

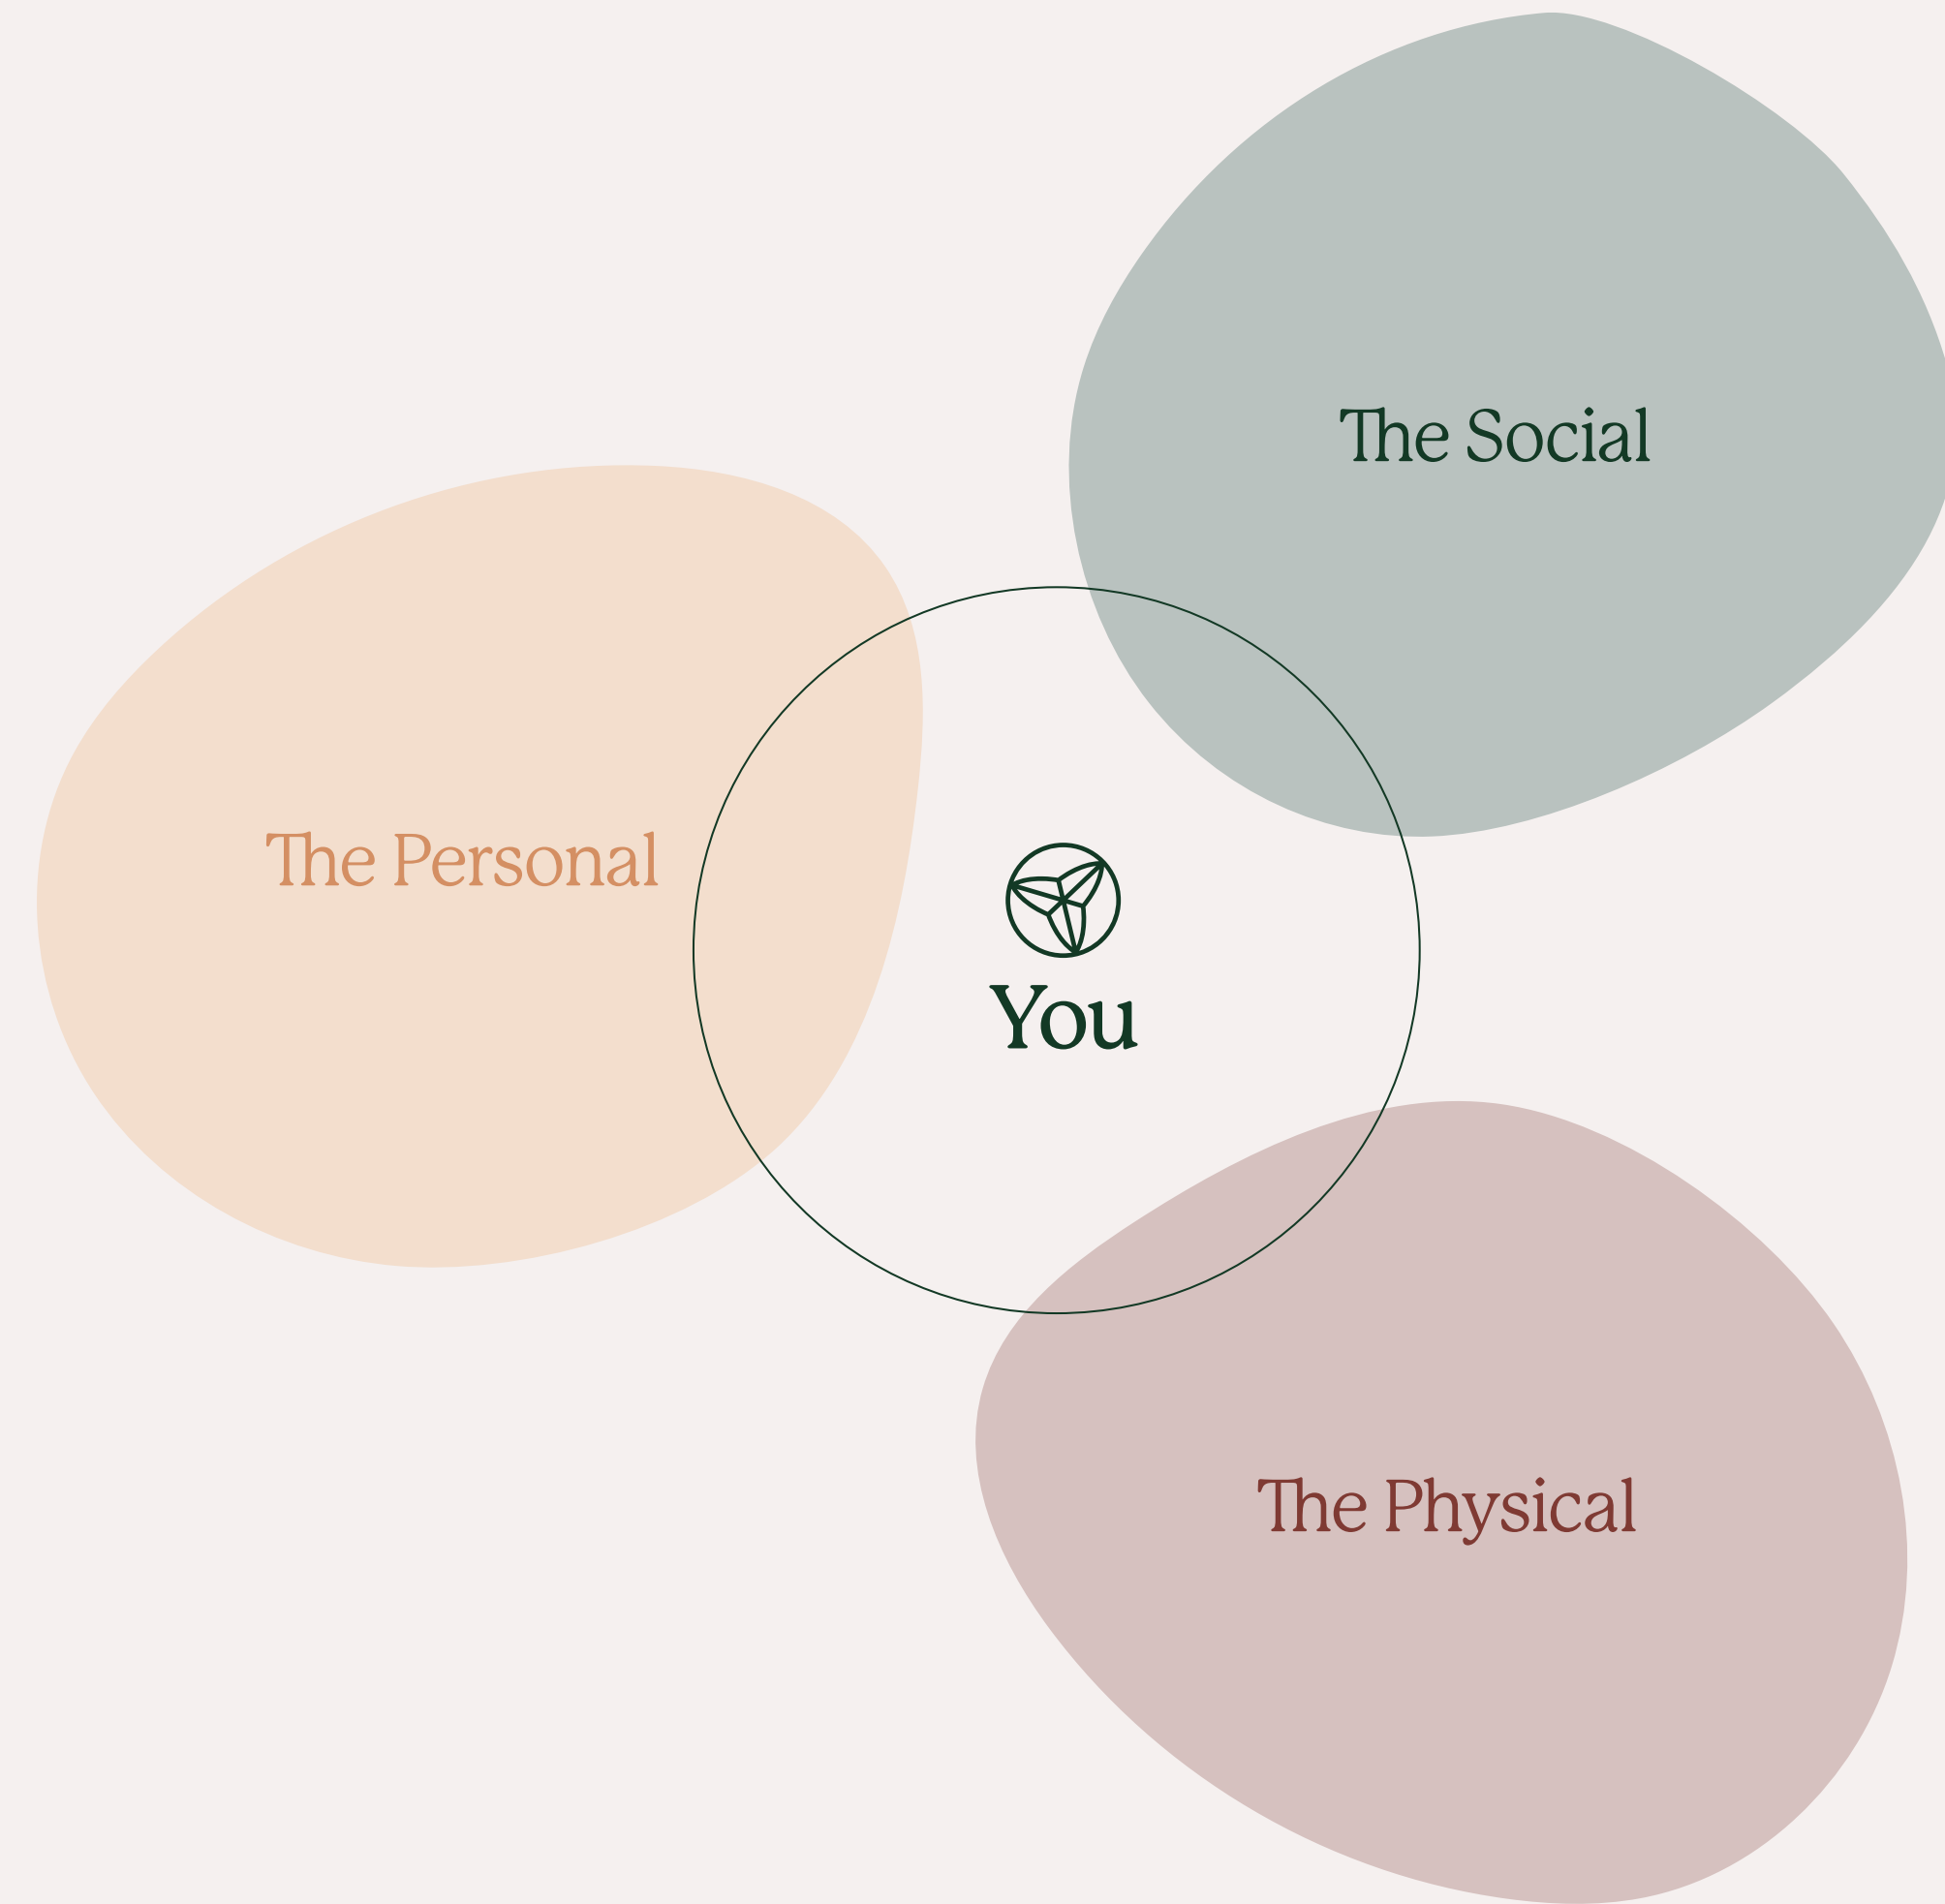

JEAN PIAGET
1896-1980

Inspired by the work of Swiss psychologist Jean Piaget, Missionworks supports your development and workplace effectiveness by providing a platform that nurtures the **physical**, **social** and **personal** pillars of life.

Whether you're a design lover, social butterfly or die-hard yogi, we get it, everyone's idea of the perfect balance is different. That's why we've created an environment that lets YOU curate YOUR own Missionworks experience.

We're not in the business of telling you how to achieve your mission. We're here to provide a platform to help you get there faster, feel better, and achieve a sense of purpose.

MISSION COFFEE WORKS

Brackenburg Wine Rooms is the neighbourhood cafe, wine bar, restaurant, and wine shop. The best spot for an easy lunch or morning brew on your way in, especially with your members discount.

A great corner Pub and Mediterranean Restaurant - it's a perfect oasis for an afterwork drink with friends or newly found Missionworks colleagues. Plus your member discount means you'll have no problems staying for one more.

Ideally located on the streets surrounding Missionworks, it's the perfect solution if you have out of town colleagues coming to visit, or important clients to accommodate.
